Summery

With over **4+ years** of professional experience as a **WordPress developer** since graduating with my bachelor's degree, I have successfully contributed to numerous small and large-scale projects.

My expertise spans PHP, WordPress, HTML5, CSS3, GitHub, JavaScript, jQuery, Ajax and API. I specialize in PHP frameworks with a primary focus on WordPress, while also proficiently utilizing HTML5, CSS3, JavaScript, jQuery, AJAX and API to create dynamic websites and enhance existing designs.

Throughout my career, I have successfully developed over **100+ WordPress websites**, crafted 2 websites using Webflow, designed 2 Elementor Template Kits, and **created 6+ custom plugins** to enhance functionality and user experience. Notably, 2 of these plugins are live on WordPress.org.
